Public Works Department

ADDENDUM #1

WL-20-02, Albany-Millersburg Influent Valve and Flow Meter Replacement

In order to clarify the intent of the Specifications and Drawings, the following provisions are provided and shall be considered part of the contract documents.

In order to ensure that all bidders are aware of these provisions, each bidder shall sign this addendum below and attach it to the proposal.

IMPORTANT: Failure to include a signed Addendum could result in the disqualification of your bid.

Mandatory Pre-Bid Meeting Attendance List:

Attached is the sign-in sheet from the mandatory pre-bid meeting held at 10:00 a.m. on January 14, 2020. Only contractors that had a representative at this meeting are eligible to bid on this project.

Water Supply:

Add the following text to Section I-18. WATER SUPPLY in Section I of the Special Provisions:

The nearest fire hydrant available during the work will be near the intersection of Century Drive and Berry Drive. The Contractor shall be responsible for transporting water to the work site.

Bid Item No. 2 – Replace Existing 36-Inch Butterfly Valve:

Add the following text:

Trench spoils may be disposed of on-site as directed by the Engineer

Bid Item No. 3 – Install Flow Meter:

No additional permanent pipe supports are required for this work.
