

Parent Handbook

Camp Albany

Welcome!

Albany Parks & Recreation staff are so excited to provide a week of summer fun for your child. This information is provided to our day camp families to ensure that you know what to expect and to set up our staff, kids, and parents for success during the week. Please read this packet carefully and bookmark or keep a copy for the duration of your child’s participation in day camps.

Camp facilities will remain locked during the day. We cannot guarantee that staff will be available to open the doors or check your child in before 9 a.m., and they will not open the doors for check-out until 2:30 p.m. Please notify a staff person if your child needs to leave before 2:30 p.m. on any day.

Drop-off & Pick-up

All camp participants must be signed in by an adult each day.

All camp participants must be picked up *and signed out* by 3 p.m. each day. If any adult who is not listed on your child's registration as a parent, guardian, or emergency contact will be picking them up from camp, notify camp staff and provide the adult's full name and phone number. **Staff may request to see photo I.D. of any person picking up a child.** If you will be late to pick up your child, please notify Camp Albany staff if you can do so safely.

Accidents & Injuries

Camp Albany utilizes a low staff to child ratio to provide the best supervision possible. Despite our team's best efforts, accidents and injuries do occur during recreation programs. Every effort will be made to inform you if your child has an accident or is injured during camp activities.

Activities

Camp Albany activities are primarily focused on fun. Each day includes a variety of staff-led, self-directed, and free play activities. Camp Albany is not a specialty camp (e.g. basketball camp, theater camp, etc.), nor a childcare program (e.g. daycare, after-school care). Weekly themes are incorporated into activities, but every activity does not necessarily follow the theme. Our experienced staff team has developed a program schedule including a variety of activity formats that we have found to be a good fit for most participants. Families who are interested in a specialty camp or a childcare setting should consider enrolling in a different program.

Attendance

Absences

If your plans have changed and you need to withdraw your child from camp, please notify us as soon as possible at 541-917-7777.

If your child will be absent for a full or partial day of camp, please notify Camp Albany staff in person or by phone. If you are calling outside of camp hours, leave a voicemail including the date, your child's name, and the duration of the absence.

No-shows

If your child is absent unexpectedly, we will attempt to contact you by phone. If we are unable to contact you by 3 p.m., we will contact waitlisted participants to fill your child's spot for the remainder of the week. On the last day of camp, if your child has not attended AND we have not received a call, voicemail, or e-mail explaining the absence, your child's registration will be cancelled for any future camps for which they are registered, and we will fill the space with a participant from the waitlist.

Behavior

Participants in Albany Parks & Recreation day camps are expected to follow staff instructions at all times to help us maintain a safe, positive, and fun environment. Your child may return home with prizes, rewards, or “shout-outs” that they have earned as rewards for great behavior. If challenging behaviors arise, camp staff will notify you in-person or by phone.

We reserve the right to suspend or dismiss a participant from Parks & Recreation programs if our staff is unable to meet the needs of the participant, the participant poses a threat to the safety of themselves, others, or staff, or the participant’s behavior disrupts the activities of the group.

Communication

You may be contacted by phone or e-mail regarding your child’s participation in camp. Please add parksandrecreation@cityofalbany.net and the appropriate phone numbers (page 1) to your contacts so that you will not miss important messages.

Illness & COVID-19

Children who are experiencing illness must be free of symptoms for 24 hours before returning to camp. These symptoms include, but are not limited to:

- Fever
- Diarrhea
- Vomiting
- Sore throat
- Severe cough
- Difficulty breathing

Albany Parks & Recreation participants, parents, and staff are required to abide by current state and local COVID-19 mandates and guidance as they stand at the time of each camp.

Lunch & Snacks

Each child should bring a lunch and a water bottle each day. Morning and afternoon snacks are provided. Refrigeration and heating may not be available for lunches, so food items should not require cooling or heating.

Medications

Participants are not permitted to possess medications of any kind while at camp, and Albany Parks & Recreation staff are unable to administer medications besides basic first aid. The only exceptions to these rules are albuterol inhalers and Epi-pens, which are to be stored in the participants backpack while at camp.

Photo Policy

Participants may be photographed during camp activities. Camp photos may be used for public program promotion including activity brochures, fliers, banners, and social media posts. *Parents who do not wish for their child to be photographed must indicate their preference on their child’s registration or notify Camp Albany counselors.*

Refund Policy

Our mission is to provide quality recreational experiences that are financially sustainable. Activities, programs, and classes must meet minimum enrollments to be offered. If Parks & Recreation for any reason cancels an activity, program, or class a full refund will be issued.

Due to the need to prepare staff and purchase program materials in advance, program fees are based on enrollment, not participation. Camp fees will not be refunded within 10 business days of the first day of camp.

Valuables & Toys

Please keep all personal toys and valuable items at home. Albany Parks & Recreation is not responsible for lost or stolen items. Please write participant's name on personal belongings. Found personal items will be held at each camp location for two weeks after each camp before being donated.

Phones and emergency contact information will be available for your child to contact you in an emergency. If your child absolutely must have their cell phone while at camp, they will be required to keep it in their backpack and on silent. No personal cell phone use will be permitted during the week, and phones may be confiscated by camp staff and returned to a parent or guardian at the end of the day.

Feedback

Questions, concerns, and any other feedback about camp can be sent to Misha Lind at Misha.Lind@cityofalbany.net.
